● **RECOMMENDATIONS**

Dr. Yonis Khalif Elmi Dean, Faculty of Engineering and Technology, Benadir University

I have known Said Mustaf Ahmed for several years as a student and emerging professional in civil engineering.

He is highly skilled in civil engineering principles, construction supervision, and project management, consistently demonstrating dedication, technical competence, and attention to detail.

Said is a motivated, responsible, and reliable individual who works well both independently and as part of a team. I strongly recommend Said Mustaf Ahmed for any position, project, or scholarship opportunity in civil engineering, confident that he will excel and contribute positively.
